## STUDENT FEES CREDIT AND DEBT MANAGEMENT POLICY

The Academic Board has approved the policy on Fee Credit and Debt Management for use by the University effective the 2021/2022 Academic Year. Following the approval of the Policy, the following steps have been taken to ensure compliance:

1. The course registration portal has been opened for **ALL STUDENTS** to register their courses before midnight of **Friday, March 11, 2022**, irrespective of payment of fees or will be deemed to have abandoned the programme.
2. As per section 2.3 of the policy, all first years are required to pay their fees in **FULL** or risk forfeiting their admission. For all continuing students a minimum of 70% (i.e 50% of tuition and 100% of all other charges), will be required. Failure to do so within **Four (4) Weeks** of reopening will lead to automatic deferral.
3. All students therefore have up till **Thursday, March 24, 2022** to pay their fees as per section 2.3 of the Policy or will be automatically deferred.
